Membership Information:

Please remember that annual memberships expire on September 30. When you send me your membership form, I will extend your membership for another year.

If you know anyone who is not a member of FCTE or if his/her membership is expired, please let him know that if he renews now, his membership will be good from now until Sept. 30, 2008. That gives all new members the remainder of this year free. They will receive all conference information. Please be sure to forward this to your colleagues. A membership form is attached.
