Wow! Is summer almost over already? Where did the time go? I hope you all had a relaxing summer. As you prepare to go back to school, think about FCTE's Institute for Professional Development. The conference will take place October 18-20. Attached to this email, you will find the conference preview prepared by this year's conference chairperson, Jane Feber. It will answer many of your questions. You can also visit our website: [www.fcte.org](http://www.fcte.org) for more information.

Be sure you plan to attend, as it's bound to be another AWESOME conference. I just want to remind you to fill out your paperwork early so your district will approve your duty leave. I hope to see you in Altamonte Springs in October!
